Various games suitable to the first day of April were played, when a beautiful luncheon was served, which every guest "bit" on, to her pleased surprise, and sometimes to her disgust. Those present were Misses Nelle Hudson, Alice Orent, Phyllis Saylor, Golda Alry, Maud Bent, Stella Mason, Ruby Loran, Grace Langan, Lois Halley, Dora Day.

### Herren-Dudley Wedding.

The marriage of Miss Mary Alice Herren to Mr. Wray Dudley of Pittsburg, Pa., was quietly observed Tuesday afternoon at 3:45 o'clock at the home of the bride's parents, Mr. and Mrs. John W. Herren, at 102 East First street. The ceremony was witnessed only by relatives and intimate friends. The home was profusely decorated in southern smilax and ferns. Preceding the ceremony Miss Marie Jones, a cousin of the bride, sang two beautiful songs, "Annie Laurie" and "Because," by Hardeol. She then played a wedding march by Wagner, when the bride and groom came in, unattended, and took their places

under an archway of smilax, where they were met by the officiating minister, Rev. Dr. J. S. Ford of the First M. E. church, who pronounced an impressive ceremony, while the soft strains of the wedding music continued. The bride wore a very becoming traveling suit of dark blue and carried a bouquet of bride roses. Congratulations followed immediately, and Mr. and Mrs. Dudley left on the southbound Burlington train for the east. They were accompanied to the train by a company of friends, who showered them with rice and sent them off with all the happy wishes that family and friends could think of. Before the train departed the bride threw away her bouquet, which was caught by Miss Helen Leffler.

Mr. and Mrs. Dudley went to Troy, Mo., by way of Kansas City, where they will be given a reception Wednesday night by Mr. Dudley's mother. They will go to New York from Troy for a short honeymoon trip, and then to their home in Pittsburg.

The bride is one of Maryville's winsonest and most accomplished young women. She is a graduate of our high school and later attended the state university at Columbia, where she met Mr. Dudley, who is a graduate of that institution. She is gifted in art and attended a Chicago art school for some time. She has been diligent in fitting herself in all womanly ways, is an accomplished housekeeper, and has always been popular with young and old in her home town since childhood.

Mr. Dudley is an electrical engineer and is in the offices of the General Electric company at Pittsburg. The highest compliment that can be paid him is that he is in every way worthy of his bride.

She was married there to her husband forty-five years ago. About thirty years ago they came to Nodaway county and settled on a farm about five miles east of Maryville, where they lived until six years ago, when, owing to failing health, they gave up the farm and lived with their children, spending most of the time with Mrs. Pierpoint and Mrs. Tebow.

Mrs. Gillam had been a faithful member of the Christian church since young girlhood, and was active in all church work as long as her health would permit. She was a kind, loving, Christian wife and mother, and during her last illness, which confined her to her bed since Christmas day, she was often heard repeating comforting promises in Scripture, and last Friday sang "I'm Going Home."

She is survived by her husband and six children, who are Mrs. J. W. Wyncoop of Bolckow, Samuel G. Gillam of Maryville, Mrs. Edwin I. Tebow, living west of Maryville; Mrs. Gerald Bonewitz, of near Wilcox; Will T. Gillam of Philbrook, Mont; Mrs. H. R. Pierpoint of Maryville.

# SPRING OPENING

## Fashion's Newest Creations Are Ready for Your Inspection

Here may be learned the last word of Fashion's mandate. For weeks we have been searching and selecting new merchandise in preparation for this informal Spring Opening. Guided by our knowledge of your needs and your preferences we now offer exactly the goods you will want to own.

The store is brimming over with clever new things. The spirit of Spring-time blooms through all our aisles. Stocks are complete—fresh, new and charming.

You will be delighted with these Spring offerings for they represent by far the most complete and attractive assemblage of new styles to be seen in this locality. While quality, variety and individuality are given their highest expression, value has not been overlooked—we have taken your purse as well as your taste into consideration.

Commencing Friday we invite your inspection of this complete and authentic showing.

## The New Suits are Alluring

They will become you surely—whatever your type—for never was there such wealth of choice. Of course there are a few distinctive points. Most of the suits are built on strictly tailored lines, gaining their attractiveness by the cut and finish. All of the coats are short, some showing the Empire waistline. The skirts are usually tight, though a few pleats below the knee are found in many. Some have the high waist effect dispensing with a belt. But these designs are developed in a wide variety of models. And the diverse materials give scope for all preference. Even the prices are comprehensive. Though good value is always assured at this store, there are new suits ready for every purse-limit.

## The Vogue in Silks and Dress Goods

Every phase is shown at our Opening. Foulards and Satins hold the reins in silks, and bordered effects are the strong novelties. Scotch effects and chevrons are first favorites in cloth, and blue is called the best color. But there are numberless other attractive weaves and color tones in all sorts of fabrics. A visit to our silk and dress goods sections will awaken many thoughts of the beautiful and becoming costumes to be made from these lovely new goods. Which will you choose? No need to consider cost. There is good value in every yard, and a very wide price range.

## Beautiful Spring Wash Fabrics

## Our Completed and Authentic Showing of New Millinery

Takes Place on Friday and Saturday

Every accepted shape, every striking combination that the season has brought forth will be presented in our collection of Gage Hats and by the products of our workroom.

## A Galaxy of Tasteful Trimmings

Gowns should be very beautiful this Spring if trimmings make the gown. For these new trimmings are truly wonderful with their wealth of coloring, their richness of design, and their quite bewildering variety. The beading and imitation beading effects still continue in favor. And the heavier sort of laces, particularly Venise, are the vogue. Wide bands, placed in every possible position, and in every conceivable pattern, is the present trimming fad. So naturally we have taken the hint and our showing includes every trimming band.

## New Gowns Demand New Corsets

And in our new Corsets, fashion's dictates and bodily comfort have alike been considered. Here you will find corsets to improve your figure, to give the lines that are necessary and to provide a foundation for a perfect fitting gown.

Let us suggest the right corset for you and fit it to your figure.

Bon Ton Corsets, \$5 to \$8. American Lady Corsets, \$4 to \$1.  
Royal Worcester Corsets, \$3 to \$1. Adjusto Corsets, \$3.

### Catarrh is Surely a Dangerous Disease.

Thousands of people allow catarrh to slowly undermine the whole system until a serious disease develops—sometimes consumption.

People who have catarrh should use every effort to get rid of it, but should above all adopt a sensible method.

Stomach dosing, sprays and douches won't cure catarrh because it is a germ disease, and the germs must be destroyed before the disease can be conquered.

Hymel is the one sensible cure for catarrh because it reaches every fold, crevice and nook in the mucous membrane and gets where the germs are, breathes Hymel and as it passes the inflamed membrane its soothing influence heals the soreness and destroys the germs.

A complete Hymel outfit costs \$1.00. This consists of a bottle of Hymel and a hard rubber inhaler. Pour a few drops of Hymel into the inhaler and breathe it a few minutes each day, that's all you have to do. It is guaranteed by the Oren-Henry Drug company and druggists everywhere to cure catarrh, coughs, colds and sore throat or money back. Extra bottle of Hymel costs 50 cents. Free trial sample on request, from Booth's Hymel Co., Buffalo, N. Y.

## HARRISON WINS IN CHICAGO

Elected Mayor of Windy City  
for Fifth Time.

### PLURALITY EIGHTEEN THOUSAND

Professor Merriam Receives Nearly  
Seven Per Cent Less Votes Than  
Busse Was Given in the Election  
Four Years Ago.

Chicago, April 5.—Carter H. Harrison, mayor of Chicago from 1897 until 1905, and son of Carter H. Harrison, Sr., who occupied the mayor's office from 1887 to 1893 and was assassinated during his World's fair year term, was elected mayor for the fifth time. He defeated Charles E. Merriam, his Republican opponent, by 17,082 votes, gaining a total of 177,358 votes.

In spite of the opposition of most of the press, the election was a complete victory. The election of F. D. Connerly for city clerk and Henry Stuckart city treasurer was early conceded, although a count of their total vote has not been completed. The Democratic majority of the city council has been increased by at least a dozen members. Milton J. Foreman, one of the leading Republican members who has served sixteen years, was defeated by Albert Teaney (Dem.), president of the Three-I Base ball league.

Scrutiny of the returns by ward and precinct show that Professor Merriam was given nearly 7 per cent less vote than Busse (Rep.) received four years

CARTER H. HARRISON.

ago, while Harrison ran more than 17 per cent ahead of Dunne (Dem.) at that time. The vote reached above 340,000, which is approximately 25,000 more than the record at the last mayoralty contest.

### "Silk Stocking" Wards Fall Down.

In spite of this, both sides agreed that Merriam lost through the failure of the "silk stocking" wards to show the strength that had been expected in favor of the college man. The first few precincts indicated that while the totals were in favor of Merriam, his percentage, compared with four years ago, was falling off, while his opponent was bringing in unexpected returns.

Even in the Twenty-fifth ward, where Merriam's victory had been conceded, failure of Merriam supporters to stop in the drizzling rain and vote caused the professor's total to drop far below the expected.

It was the result of this ward which first gave Merriam an intimation that his fight was in vain. On the other hand, Harrison announced as soon as this ward had reported that he had won and prepared a statement. After this the result never was in doubt.

### LOVER WAS HALF-BROTHER

Boy Dies of Grief and Girl Sweetheart  
Commits Suicide Following Discovery.

Cleveland, April 5.—Shock and grief caused by the discovery that his sweetheart, Anna Neumeister, aged seventeen, was his half sister, is believed to have caused the death of John Ott, who died on the street, according to the coroner's verdict.

Unknown to Ott the body of Miss Neumeister had been taken from Lake Erie but a short time before he died. The discovery of their relationship had prompted her to take her life.

Ott became a boarder at the Neumeister home recently. The mother found him making love to Anna. She then informed the sweethearts they were related. Ott left the house and was seen no more till he was taken to the morgue a corpse.

Five Years for Falsifying Report.  
Boise, Ida., April 5.—A minimum sentence of five years in the federal penitentiary was imposed by Judge Bean upon William F. Kettonback and George H. ### CURED TO STAY CURED.

How a Maryville Citizen Found Complete Freedom From Kidney Troubles.

If you suffer from backache—From urinary disorders—From any disease of the kidneys, Be cured to stay cured. Doan's Kidney Pills make lasting cures.

Maryville people testify. At Here's one case of it:

I. M. Woods, East Jenkins street, Maryville, Mo., says: "For some time kidney trouble had been lurking in my system, and although it did not bother me to any extent, I could see that the attacks were becoming more frequent and severe. Finally my kidneys became so badly disordered that I was obliged to seek relief. The kidney secretions were unnatural and so irregular in passage as to annoy me greatly. I also had a pain in my back and could hardly stoop. Dizzy spells and headaches were common, and I was in a miserable condition when I learned of Doan's Kidney Pills. I began their use, and after I had taken the contents of three boxes I was free from kidney trouble."—(Statement given in 1901.)

### Time is the Test.

On September 19, 1908, Mr. Wood added to the above: "The cure Doan's Kidney Pills effected in my case several years ago has been permanent. I am glad to again recommend this splendid remedy."

For sale by all dealers. Price 50 cents. Foster-Milburn & Co., Buffalo, New York, sole agents for the United States.

### THIN HAIR ON TOP.

A Dose of Parisian Sage in Time Multiplies One Hair by Nine.

Young men, old men, middle aged men all begin to worry when the hair thins out on the top of the head, and the bald spot is getting ready to appear in public.

They don't know what to do; they get rattled, ask advice, try specialists, listen to barbers and do everything they ought not to do.

So these men we want to say that the Koch pharmacy has a prescription for the hair called Parisian Sage, and if it will not cause hair to grow where the hair is thinning out, nothing on this earth will.

And we want to say to everybody, man, woman and child, that you can have your money back if Parisian Sage isn't the best hair grower, hair saver, hair beautifier and dandruff cure on the market today.

It stops itching scalp and falling hair, and makes hair grow thick and abundantly. Fifty cents for a large bottle at the Koch pharmacy. The girl with the Auburn hair is on every bottle.

Miss Lucile Atry went to Ravenwood Wednesday for a day's visit with Miss Mattie Bishop.

### Visited Sick Father.

Vern and Oda Wallace of Holton, Kan., were in Maryville Tuesday to visit their father, John L. Wallace, who is very ill.

## HAIR ADVICE

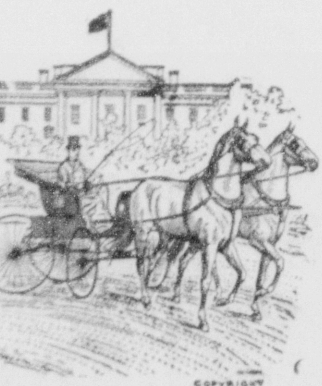

VALUABLE TO THE PRE-MA-TURELY GRAY-HAIRED PEOPLE.

What a pity it is to observe so many people with thin and faded hair, and then realize that the most of these people might have a fine, healthy head of hair if they would but use the simple "sage tea" of our grandmothers combined with other ingredients for restoring and preserving the hair. No one, young or old, need have gray hair, weak, thin or falling hair, dandruff or any troubles of the sort if they would but use Wyeth's Sage and Sulphur Hair Remedy. On the contrary, it is possible to have healthy, vigorous hair, of perfect color, by a few applications of this remarkable preparation.

Wyeth's Sage and Sulphur Hair Remedy quickly removes dandruff, leaves the scalp clean and healthy, promotes the growth of the hair and restores the natural color of hair which has become faded or gray. It is a clean wholesome dressing, which may be used at any time and with perfect safety. Don't neglect your hair. Start to-day with Wyeth's Sage and Sulphur.

This preparation is offered to the public at fifty cents a bottle and is recommended and sold by

Koch Pharmacy.
